Commissioner for Patents

The Reply filed April 23, 2004 is not fully responsive to the Election Requirement because the structure of the elected species, XX5, is not depicted in the specification or shown in the Reply. The chemical name of XX5 is required to complete a thorough search of the claimed subject matter. See 37 CFR 1.111. Since the above-mentioned omission appears to be inadvertent, Applicants are given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS from the mailing of this notice, whichever is longer, within which to supply the omission in order to avoid abandonment. EXTENSIONS OF THIS TIME MAY BE GRANTED UNDER 37 CFR 1.136(a).
